To the Chicago Mission Center

Dear friends,

I am pleased to present to you for your support Craig Perryman as the Chicago Mission Center Invitation Support Minister. In this position, Craig will support, encourage, and equip congregations, disciples, and priesthood for ministries of invitation, hospitality, and witness.

We recognize the diverse ways Craig leads mission through developing disciples to serve, identifying and empowering emerging leaders, expanding innovation in ministry, and walking side-by-side with mission center seventy as they endeavor to effectively support congregational life in weekly gathered ministry *and* faithfully living out mission in neighborhoods and communities.

We are deeply grateful for his dedication to ministry, mission, and inviting people to Christ in local, mission center, and world church contexts. In dynamic response to changing times Craig provides key support for CMC Sunday, and shares countless hours facilitating congregational discernment and creating vital formation resources to support that process. We applaud his willingness to strategically serve in congregational leadership roles as we become the church of the future.

I encourage your support for his appointment.

Blessings,

Robin K. Linkhart
