RE: Mission Center Council Appointments

Dear Brothers and Sisters:

The Mission Center Presidency share it's deep appreciation to all those who have been serving on the Mission Center Council. Their input and counsel has been instrumental in helping with decisions as the mission center seeks to move forward into the future. For that reason, I humbly ask that the mission center show their support for the continued service of these individuals for a two-year term to begin January 1, 2025 and continue through December 31, 2026.

Teppy Dimmitt
Roger Hintzsche
Lisa Jauch
Olivia Liddell
Tami Perryman
Julie Snethen

Ex officio members:
Marketer Ash
Craig Perryman
Sheryl Sawyers
Jude Vickery

The remaining 2 positions, if and when appointed, will also serve for a term to begin immediately and continue through December 31, 2026.

Sincerely,

Blake J. Smith
For the Mission Center Presidency
