RE: Counselors to the Mission Center President/Financial Officer

Dear Friends,

As counselors to the Mission Center President/Financial Officer are considered an important part of mission center operations, and differences in perspective can be beneficial to understanding many complex situations needing leadership attention. I respectfully submit the following names for a sustaining vote of the mission center conference to serve as my counselors through 2027.

Sheryl Sawyers
Blake Smith

Sincerely,

Jude Vickery
Mission Center President/Financial Officer
